Signature Complexes

Reparative Oil Complex: A rich infusion of 10 botanical oils including coconut, marula, argan, and jojoba, this vegan complex deeply conditions dry, damaged hair. It smooths and softens while reinforcing the hair cuticle to help reduce breakage, and boosts shine without weighing strands down.

Moisture Veil Complex: A vegan, biomimetic complex that forms a lightweight moisture barrier on the hair and scalp. It locks in hydration, smooths fly-aways, and supports a healthy, balanced scalp environment. Especially beneficial for dry or frizz-prone hair, this complex delivers softness and manageability without added weight.

Hair Density Complex: A targeted blend featuring Coix lacryma-jobi, ma-yuen seed, and vegan Collagen-17. This complex nourishes the scalp and supports healthier-looking roots, helping improve the appearance of volume, thickness, and resilience while promoting scalp balance and overall hair vitality.
